NEW FOR VTA OFF-SEASON WINTER 2020 - 2021:

MICROTRANSIT TRIP OPTIONS

Due to low ridership on Route #7 during the pandemic, the VTA is offering a pilot microtransit service instead of the traditional fixed route bus schedule for the winter months.

Microtransit is on-demand transportation. Trips can be scheduled in advance or same day. Any trips beginning OR ending in the area of Route #7 are eligible, except for locations within 3/4 of a mile of Routes #1 or #13.

Trip requests will be accepted for operating hours between 7:00 am and 6:00 pm daily.

Microtransit trip fares are $5 per town, including town of origin.
VTA fixed route passes are not valid for micotransit travel.

(508) 693-9440 extension 1.

Note: No service on Christmas day.
