**MORE INFO**

Please read the VTA route timetables carefully. Schedules and fares are subject to change without notice. Schedules are available in large print upon request. If you need assistance planning your trip in advance or have questions, please contact us at the VTA and we will be happy to assist you.

The winter schedule is an interlined timed transfer system, meaning each route is served by multiple buses and that each bus serves multiple routes. There are many "same bus" transfers and timed transfer options built into the schedule. Online schedules have more detailed transfer info than the printed schedules. Be sure to check [vineyardtransit.com](http://vineyardtransit.com) and posted roadside schedules regularly for updates.

Routes #1, #10 and #13 have Sunday service during the winter season. Please check for the current timetables for these routes online.
